Knoll

Pixel
Storage

Designed to create effective meeting and training environments, the Pixel Collection fosters connections and creativity. Pixel storage elements, including credenza, pedestal and console options, complement a variety of work environments to deliver refined and functional storage solutions.

- A** Pixel storage completes meeting rooms, giving teams a place to store all of the essentials
- B** Design details and finish options coordinate with the Pixel table collection, and visually complement the entire Knoll product portfolio
- C** The slim Pixel console works as both a solution for tight spaces and creative space division

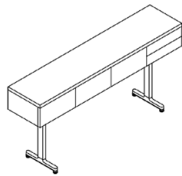

Warranty
10 Years
